COMPANY OVERVIEW

Shashikiran Surveyors is one of Mysuru's premier and highly-rated land surveying agencies, providing end-to-end engineering, geodetic, and topographical survey solutions across Karnataka. Established in 2014 under the visionary leadership of Mr. Ravi, our organization combines over a decade of hands-on field expertise with cutting-edge geodetic instrumentation.

From residential layout planning and rural agricultural partition surveys to complex highway corridors, irrigation canals, and industrial building marking, we deliver high-accuracy spatial data that empowers builders, architects, property owners, and government authorities to proceed with complete confidence.

SPECIALIZED SURVEY CAPABILITIES

- ✓ **DGPS / GNSS Baseline Surveys:** Dual-frequency satellite receivers for sub-centimeter geodetic control networks and large-acreage land partitioning.
- ✓ **Total Station Topographical Surveys:** Detailed 3D digital terrain models, spot levels, existing utility locations, and ground feature mapping.
- ✓ **Boundary & Cadastral Verification:** Accurate boundary demarcation, property conflict resolutions, and legal boundary alignment.
- ✓ **Road, Highway & Canal Alignments:** Longitudinal (L-sections), cross-sections, and earthwork cut-and-fill volume quantifications.
- ✓ **Building & Layout Markings:** High-precision column grid setting out, foundation benchmarks, and architectural alignment.
- ✓ **Drone Aerial Photogrammetry:** High-resolution orthomosaics, 3D point clouds, and contour mapping for expansive properties.

INSTRUMENTATION FLEET

Instrument / Technology	Application
Dual-Freq DGPS (GNSS)	Sub-centimeter geodetic baselines & control points
Robotic Total Stations	Millimeter-precision angle & distance topography
Digital Auto Levels	High-accuracy vertical benchmark leveling
Survey-Grade Drones	Large-scale aerial mapping & 3D terrain models
CAD & GIS Workstations	AutoCAD Civil 3D, ArcGIS & Global Mapper plots

STANDARD DELIVERABLES

- ◆ Certified AutoCAD Drawing files (.DWG, .DXF)
- ◆ Google Earth Geospatial Overlays (.KML, .KMZ)
- ◆ High-Resolution Plot Sheets (A0 - A4 PDF)
- ◆ Digital Elevation Models (DEM) & Contours
- ◆ Boundary Coordinates & Area Computation Sheets

REGISTERED OFFICE & FACILITY

Shashikiran Surveyors

No 16, Shashikiran, Near Shivaji Park, Water Tank Road,
Narasimharaja Mohalla, Mysuru, Karnataka - 570007, India

Landmark: Near Shivaji Park, Water Tank Road
